POSITION OUTLINE:

We are a vibrant and community centric soccer club committed to fostering a love for soccer among young athletes. This role is pivotal in shaping the future of soccer within our community, focusing on both player and coach development. You'll work closely with our coaches to deliver the club's curriculum, mentor young players, and play a key role in the administration and technical aspects of our Player Development Program.

The KYSA Technical Development Coordinators are influential in determining the future of soccer within Kamloops as we strive to deliver best in class player development services. Your focus will be to ensure all players and parents have a positive experience with the Club through quality program delivery and by forming and maintaining strong relationships throughout the course of the season. Your duties and responsibilities involve technical and administrative support for the KYSA's player and coach development programs including (but not limited to): coaching mentorship, player advancement, team training, academy sessions, clinics and camps. This is a part-time position (16 to 20 hours per week from mid-April to late July) that reports directly to the relevant Director of Male or Female programming.

KEY RESPONSIBILITIES:

General Duties

Collaborate with team coaches for curriculum delivery and player mentoring. Organize and enhance the KYSA Player Development Program, aiming for continual improvement and promotion of player development activities. Maintain a strong, customer-focused approach within the soccer community.

Technical Duties

Attend, support, and evaluate KYSA programming, assisting in the implementation of grassroots programming. Help run development camps and other club academy-style programming. Support the Club Talent ID process.

Administrative Duties

Provide reports and performance analyses, contribute content for social media, and be the technical program delivery point of contact for KYSA members. Ensure effective communication with all program participants.

Team Participation

Foster a positive team culture, participate in staff meetings, attend KYSA events, competitions, and general membership meetings as requested.
